6'x6' Tall Knoll Morrison/Currents Cubicles

Description

A city facility was needing us to remove and install 3 floors of cubicles in a month. We disassembled and provided 150+ remanufactured Knoll Morrison and Currents Cubicles with the requested 30 day period the client provided. From start to finish we had provided our client with a whole new office space for a fraction of the cost of new workstations. With no expensive spared, the client was able to get glass and sit stands while still saving 35% over new furniture.
